Health Information Technology

Florida SouthWestern State College
Catalog Year 2026-2027

This Program is a planned sequence of instruction consisting of 70 credit hours that includes 20 General Education credits and 50 Health Information Technology Core credits. The program can be completed in 5 semesters by students with college level placement. Students will progress through the program as a group/cohort and courses must be taken in sequence. Most Health Information Technology Core courses are only offered one time per academic year. After acceptance to the program and before enrollment in the internship courses, students must complete a physical evaluation with a healthcare provider and provide documentation of immunizations, TB screening, and personal health insurance. Students must be Basic Life Support Certified.

Minimum Requirements to Apply to the AS in Health Information Technology

- ☐ Accepted to Florida SouthWestern State College.
- ☐ Be 18 years of age or older.
- ☐ Complete and pass a criminal background check and drug screening.
- ☐ Have a cumulative GPA of 2.0 or higher for all college credit.
- ☐ Complete and submit AS Health Information Technology Application through the program page. This includes payment of the application fee. Applications will be accepted continually throughout the year for a Fall or Spring semester start. (Please see the Official Academic Calendar for Admission and Registration Deadlines).
