This Inter-Institutional Articulation Agreement, hereinafter referred to as the “IAA”, is effective from the 1st day of August, 2025 through the 30th day of July, 2026 between the District Board of Trustees of Florida SouthWestern State College (“College”) and the private education program listed above, herein referred to as “School Designee.”

The purpose of the IAA is to articulate the Dual Enrollment and Early Admissions Programs, authorized under Florida Statute Sections 1007.27 ; 1007.271 ; and 1000.21 Articulation Plans for College Level Instruction for High School Students. These programs are a cooperative effort between Florida SouthWestern State College and the School Districts of Charlotte, Collier, Hendry, Glades, and Lee counties, private schools, and homeschools students, to provide accelerated college opportunities for qualified students through the effective use of Florida’s community/state college programs and services in our five-county service area (Charlotte, Collier, Hendry, Glades, and Lee).

Ratification or Modification of All Existing Articulation Agreements

This IAA serves to ratify current existing IAA between the College and Private Education Program. The provisions set forth in this IAA enables qualified students to simultaneously earn both high school and college credit. This Agreement may be amended upon the mutual agreement of all parties should State Board of Education Rules, Florida Statutes, or interpretations require such action by the Articulation Committee comprised of the College personnel. A signed IAA will be submitted by the College to the Department of Education on or before August 1, 2025.

Definition of Terms

1. Accelerated Pathways- The three Accelerated Pathways for eligible secondary students, described in this agreement are Dual Enrollment, Early Admission, and Early College.
2. Dual Enrollment Program- The Dual Enrollment Program is an Accelerated Pathway that is offered to eligible secondary students on a part-time basis (College credits are limited to 12 or less, and the student is required to enroll in at least one high school credit course). Students may enroll in college courses offered concurrently on the high school campus, courses on the college campus, and in online courses, to earn both high school and college credit simultaneously.
3. Early Admissions Program- Early admission is a full-time (12-18 credits) Accelerated Pathway. Early Admissions students may take college courses on the College's campus or online but may not enroll in concurrent courses. Students may continue to participate in extra-curricular activities at their sending school and/ or at the College.
4. Early College- The Early College, described in Florida Statute Section 1007.273, provides a cohort of eligible 11th and 12th-grade students a full-time Early Admission Program to take courses at a mutually agreed upon location by the College and the School District (e.g., school-within-a-school model).
5. Private School Designee- A person authorized by the Private School to approve and sign certain documents, such as student appeals and withdrawals.
6. School Designee- A person authorized by the High School to submit and sign documents, such as registration and test scores.
7. Director of Accelerated Pathways- The College's person assigned the duty of overseeing the College's Accelerated Pathways.

Dual Enrollment Program

Section 1: Description of Process for Informing Parents and Students

Students and parents will be informed about accelerated program opportunities and processes through the following methods:

The High School Designee will provide:

- All high school-related requirements
- High school transcript
- High school curriculum guides

The College will provide:

- Program flyers and posters
- College Accelerated Program website
- College advising sessions
- College Accelerated Program Orientation

The information available to students and parents by both parties shall include:

1. The grade levels included in the program.
2. A description of the Accelerated Pathways Program including the delineation of courses and industry certifications offered, online course availability, and the return on investment associated with participation in the program.
3. The high school and college credits earned for each postsecondary course completed and industry certification earned.
4. Student eligibility criteria.
5. The enrollment process and relevant deadlines.

Section 2: Courses and Programs Offered

1. Dual Enrollment Program courses will be offered in accordance with Florida Statute Sections 1000.21,; 1007.24,; 1007.271; and Rule 6A-10.024 F.A.C. Approved Dual Enrollment Program courses are specified by the Florida Department of Education's statewide Agreement for Dual Enrollment Courses. The list is found on the DOE website at www.fldoe.org (search for Dual Enrollment Equivalency). In addition, high school credit for college courses should be awarded in accordance with the fore mentioned Agreement by the high school.
2. Per Florida Statute Section 1007.271, applied academics for adult educational instruction, developmental education, and other forms of pre-collegiate instruction, as well as physical education courses that focus on the physical execution of a skill rather than the intellectual attributes of the activity, are **ineligible** for inclusion in the Dual Enrollment Program.

3. Students have the option of working towards CAPE Industry Certifications or College Credit Certificates pursuant to Florida Statute 1008.44 found in the College's Course Catalog. See Career Pathways (Technical Credit to College) ABSTRACT found in Appendix A for additional information.
4. Prior to enrolling in a certificate program, it is the student's responsibility to meet with an FSW academic advisor to ensure they meet all eligibility requirements of the program.

Section 3: Student Participation in Dual Enrollment Program

1. Students initiate their option to participate by working directly with their School Designee and the College to ensure student eligibility to participate in the college program.
2. Students must initiate their application for Dual Enrollment Program courses through the College's online Accelerated Program Application found at <https://www.fsw.edu/admissions/dual>.
3. Eligible students are responsible to submit test scores in all college-level areas before being eligible to register for coursework. School Designees and students may refer to placement test information found at <https://www.fsw.edu/testing/scoretables>.
4. The student or school designee will arrange for all required test scores and transcripts to be provided to the College. Students must also submit required high school transcripts to the College or Accelerated Pathways Office for admissions.
5. Eligible students will work directly with the School Designee to complete an **Accelerated Pathways Registration Approval Form**. The signature of the School Designee on the form verifies student is eligible and gives approval for enrollment in college courses.
6. Eligible students may access the College's academic, advising, and counseling services.
7. Students are required to provide their own transportation to and from the College for on-campus courses and related activities.
8. Students are required to secure their own Internet and computer access for online and hybrid courses, including access to electronic test proctoring methods used by FSW.
9. Students are limited to dual enrollment courses that are both age and developmentally appropriate. Dual enrollment courses meet the curricular expectations and are at the same depth and rigor of non-dual enrollment postsecondary instruction, including those offered on the high school campus. Students should understand that dual enrollment courses are college courses and the amount of work necessary to succeed may be much greater than in high school courses. In addition, dual enrollment courses become a part of a student's permanent college transcript and are calculated into the student's permanent postsecondary GPA.

Section 4: Student Eligibility for Participation in Dual Enrollment

1. Students must be enrolled in at least one high school credit course during each term, excluding summer, if participating in Dual Enrollment (12 credits or less). Full time/Early Admit students are not required to be enrolled in any high school courses during the term of their enrollment
2. Students must have a cumulative unweighted high school grade point average of 3.0 or better.
3. Students must have the approval of the School Designee (i.e. through the signature on the Application and Accelerated Pathways Student Registration Forms)
4. Students may take up to 12 credit hours through concurrent, on-campus, or online courses per semester; Student in grades 6-9 are limited to 9 credit hours per term and must have at least 5 high school credits in core graduation courses and must demonstrate the ability to take college level classes through minimum test scores and the submission of two letters of recommendation in addition to the approval of the School Designee. A high school transcript and two letters of recommendation shall be submitted to Dual.Enrollment@fsw.edu no later than the stated application deadline for the term to be considered eligible for registration.
5. Due to grade eligibility requirements, Accelerated Pathways students must state their current grade level at time of admissions. No changes or exceptions will be made to extend grade levels or graduation dates.
6. Students may not be scheduled to graduate from high school prior to the completion of the dual enrollment course. Florida Statutes Section 100.271(3).
7. Students must take and present test scores from one of the approved state college placement exams. The placement test scores must be valid as of the first day of the term in which the student enrolls in the course. Scores are valid for two years from date of testing. Students and school designees may refer to <https://www.fsw.edu/testing/scoretables> for information on college placement test scores.
8. Pursuant to Florida Statute Section 1008.30(4) (a), and 6A-10.0315, F.A.C., which is hereby incorporated by reference, students who have been identified as deficient in basic competencies in one of the areas of reading, writing, or mathematics, as determined by scores on a postsecondary readiness assessment identified in 6A-10.0315, F.A.C., **shall not** be permitted to enroll in college credit courses in curriculum areas precluded by the deficiency.
9. Students may enroll in college credit courses that are not precluded by the deficiency; however, students may not earn more than twelve (12) college credit hours prior to the correction of all deficiencies.
10. Exceptions to the twelve (12) college credit hour limitation may be granted by the College provided that the student is enrolled in secondary course(s) in the basic competency area(s) for which the student has been deemed deficient by the post-secondary readiness assessment, and is in good academic standing with a minimum College grade points average of 2.0. Students and the high School

Designee must submit an **Accelerated Pathways Student Appeal** to the Director of Accelerated Pathways to be approved.

11. Eligibility requirements are consistent across all modalities of instruction, including online and courses taken on the college campus, unless otherwise stipulated.
12. The **Accelerated Pathways Contract**, included on the Accelerated Pathways Student Registration Form, will be used to inform students and parents of basic expectations for participants in the Dual Enrollment Program.
13. Per Florida Statute Section 1007.271, regardless of meeting student eligibility requirements for continued enrollment in the Dual Enrollment Program, a student may lose the opportunity to participate in a college course if the student is disruptive to the learning process such that the progress of other students or the efficient administration of the course is hindered.
14. Per Florida Statute 985.04, Dual Enrolled Students Taken into Custody. It is required that any School Designee or Safety Specialist shall immediately notify the Director of Accelerated Pathways of any arrest or serious offense where the student is taken into custody by law enforcement. This information will be immediately shared with the FSW Police Department per statute.
15. Students must maintain at least a cumulative 2.0 College grade point average to continue in an Accelerated Program. The College Academic Warning procedures will apply to dual enrolled students who fall below the required 2.0 College GPA. Students placed on Academic Warning are given one semester to raise their cumulative College GPA to a 2.0. Students who do not meet the minimum GPA after one semester of Academic Warning will be dismissed from the Dual Enrollment Program.
16. High school graduates are not eligible to participate in the Dual Enrollment Program. Recent high school graduates with at least 24 earned college credit hours may enter Summer Term (full-term or Summer A) courses post-graduation. Students that do not have 24 college credits in dual enrollment may enroll in Summer B courses. If admitted, they are responsible for all tuition and associated fees and materials.

Eligible students may take full-term Fall, Spring Terms, and Summer Term coursework. Dual Enrollment students are not permitted to take Compact or Express Terms during the Fall/Spring semesters. Summer Compact Terms registration is limited to one course per term with a maximum of 12 total credit across all terms. (Courses with required co-requisites will be considered one course, not to exceed 5 total credits.) Students are not permitted to participate in Study Abroad programs while in Dual Enrollment.

Section 5: Delineation of High School Credit Earned

1. Approved college course offerings are specified by the Florida Department of Education's statewide Agreement of Dual Enrollment. In addition, high school credit for Dual Enrollment Program courses will be awarded in accordance with the aforementioned agreement. The Florida Department of Education provides and annually updates the Dual Enrollment Course- High School Subject Area Equivalency List. This information is available online at www.fldoe.org (search for Dual Enrollment Equivalency List).

2. Since students enrolled in the Dual Enrollment Program are meeting high school graduation requirement while taking college courses, the College accepts the signature of the School Designee as decisive regarding suitability of courses and/ or the applicability towards high school graduation.
3. All courses must be at least three (3) credits and be taken for a letter grade, not including required co-requisite courses.
4. The School Designee will apply all credits earned through the Dual Enrollment Program as subject area or elective credits toward high school graduation requirements. All credits not earned but attempted must be entered on the high school transcript.
5. Dual Enrollment Program courses must apply directly toward the student's general requirements for high school graduation as outlined in Florida Statute Section 1003.4282, pursuant to Florida Statute section 1007.271.
6. Participating in any Dual Enrollment Program course creates a college transcript for the student. All grades, including withdrawals, will be posted to the student's permanent academic record. Low grades in college courses may adversely affect subsequent admission to public or private colleges and universities, as well as financial aid eligibility and/or availability.
7. College credits earned through an articulated accelerated mechanism, as defined in this IAA from Florida Statute Section 1007.27, are not calculated towards the excess hour requirement in Florida Statute 1009.286 which states students are required to pay an excess hour surcharge for each credit hour in excess of the number of credit hours required to complete the baccalaureate degree program in which a student is enrolled.
8. Students earning credit under various acceleration programs are guaranteed transferability of credit under provisions of the State Articulation Agreement in cases where the student completes "general education requirements" and/or the Associate of Arts degree and is transferring to a state university in Florida.
9. Students earning college credit through the Dual Enrollment Program in courses outside of the general education categories or outside of the AA degree requirements are not guaranteed transferability of credit and will be evaluated by the individual college or university policy involved.
10. In accordance with Florida Statute Section 1007.271 (18), all courses taken through the Dual Enrollment Program must be weighted the same as Advanced Placement, International Baccalaureate, and Advanced International Certificate of Education courses when weighted grade point averages are calculated. Alternative grade calculation or weighting systems that discriminate against courses offered in the Dual Enrollment Program are prohibited.

Section 6: Process for Informing Students and Their Parents of College-Level Course Expectations

1. The College through the orientation and webinars, student and parent meetings, and printed materials will inform the student and their parent(s) about the college-level course expectations, including the

College's policy on compliance with the Family Educational Rights and Privacy Act (FERPA) and access to student accommodations. Additional information can be found at <https://www.fsw.edu/registrar/ferpa>

2. The College will provide information on college-level course expectations on the course registration form, college application, and during orientation.
3. Students enrolled in the Accelerated Pathways Program that require an academic accommodation based upon a disability will be provided with an academic accommodation consistent with Section 504 of the Rehabilitation Act of 1971, as amended, 29 U.S.C. Section 794, and its implementing regulation at 34 CFR Part 104; and Title II of the Americans with Disabilities Act of 1990 (Title II), as amended, 42 U.S.C. §§12131 *et seq.*, and its implementing regulation at 28 C.F.R. Part 35. All academic accommodation shall be in conformity with 34 CFR 104.44. The accommodation provided shall not be dependent on whether instruction occurs on a College campus or at a high school site.
 - a. In order for a student to benefit from accommodations at the College level, students are required to self-identify. For information regarding the self-identification process and the services available, refer to the Office of Adaptive Services at <http://www.fsw.edu/adaptiveservices> or 239-432-7354.
 - b. It is the obligation of the individual with a disability to request a reasonable accommodation. Enrolled students must submit any request for accommodations to the Office for Adaptive Services on the appropriate campus for consideration. Individuals with a disability must provide recent documentation from a qualified, licensed professional that speaks to the specific disability and the requested accommodation. Requests for accommodations must be specific to the documented needs. Once a student has been established with the office, it is the student's responsibility to request accommodations each semester that the student is enrolled.
 - c. Individual Education Plans (IEPs) are not acceptable forms of primary documentation. IEPs are plans which were structured and agreed to with that particular school at the time they were written. They are not binding agreements with Florida SouthWestern State College. A valid IEP with the school district does not make the student eligible for college accommodations. Students with an IEP must request accommodations for college courses. Approved district accommodations may be helpful in determining the level of support and types of accommodations which were provided to a student in the past.
4. By signing the **Accelerated Pathways Registration Form**, students agree to the Accelerated Pathways Contract on the Form.
5. Dual Enrollment Program students and their parents will be offered the College's Accelerated Pathways Student/ Parent Information Sessions, through on-campus events or live/ on-demand webinars. It shall be the primary responsibility of the School Designee to communicate to students and parents about college-level course expectations.

6. Dual Enrollment Program students have the same rights and considerations of all college students, as determined by the College's Students Rights and Responsibilities, found in the College's Catalog.

Section 7: Registration Policies for Dual Enrollment Program

1. Eligible students with a current term application that have met testing requirements are to register through the Office of the Registrar by completing an **Accelerated Pathways Registration Form** for any college course by July 15th for Fall courses, December 1st for Spring courses and April 15th for Summer courses. All course registration forms are to be approved by a School Designee.
2. Students will be required to complete the Accelerated Pathways Orientation annually.
3. Students are responsible to submit a completed Accelerated Pathways Registration form to the Office of the Registrar drop or add courses by the stated deadlines. All course drop forms are to be approved by a School Designee.
4. Students enrolled in the Dual Enrollment Program are not to initiate a withdrawal from their course(s) after the official College add/drop period has ended for the term the student is enrolled without written consent from the Private School Designee. Students must present a completed **Accelerated Pathways Request for Withdrawal Form** to the Director of Accelerated Pathways by the College's designated deadlines for the enrolled term.
 - a. **Withdrawal-** A student who wishes to withdrawal from a course for academic or personal reasons, after the add/drop date and within the stated College deadlines, will receive a "W" on their College transcript. The GPA is not affected.
 - b. **Late Drop-** Removes a course or courses from a term due to major extenuating circumstances beyond a student's control, which prevent course completion and occur after the drop deadline, but prior to the midpoint of the course. Academic history for that course is removed.
 - c. **Late Withdrawal-** Withdraws a student from a course or courses due to major extenuating circumstances beyond a student's control, which prevent course completion and occur after the published withdrawal deadline. Students will receive grades of 'W' (withdrawal), and the course will be counted as an attempt. The GPA is not affected.
5. In the case of a request for a Late Drop/Late Withdrawal, the student must present a completed Dual Enrollment Late Drop/Withdrawal Petition to the Director of Accelerated Pathways. (Appendix C).The College's Registrar makes the final determinations on late drop/late withdrawal petitions.
6. The Director of Accelerated Pathways notifies the School Designee of the Registrar's final determination on all late drop/ late withdrawal petitions.
7. Students will not be allowed to repeat a course until after completion of high school graduation.
8. Termination of enrollment in a college course without satisfactory completion may hinder timely fulfillment of high school graduation requirements.

Section 9: Monitoring of Student Performance

1. The College provides training to College Faculty on Dual Enrollment Program students, including the use of the “early alert” system of students performing poorly in a course. When an “early alert” or “student of concern” is provided by a faculty member, the School Designee and/ or student will be notified.
2. The College and School Designee maintain the right to share educational information about students enrolled in the Dual Enrollment Program.

Section 10: Funding Provisions of Delineated Costs

1. Textbooks and Instructional Materials

- a. Students enrolled in the Dual Enrollment Program will be exempt from payment of all registration, matriculation, and laboratory fees from the College.
- b. Private school student’s required textbooks will be provided by the College on a loan basis. Students will work through the Director of Accelerated Pathways to determine appropriate admission documents have been submitted to receive an Accelerated Pathways Private School Textbook Voucher for the textbooks.
 - i. All textbooks must be returned at the College deadline or students will be assessed a charge for the replacement costs for textbooks and will not be permitted to register for subsequent semester or receive a transcript until the book is returned or payment is received.
 - ii. The College will not reimburse any Parent if textbooks are purchased outside of the College loan process.
 - iii. All textbooks vouchers and returns will be through the Edison-Lee Campus Bookstore site.
 - iv. Specialized and limited-access programs and courses may have expenses in addition to books and materials that will be the responsibility of the student. Programs in the Health Sciences may have costs for (including but not limited to) uniform, medical testing, and background checks that are the responsibility of the student.
 - v. The costs beyond the standard rate of tuition for courses with a travel component (including local, state, national, and international travel) will be the responsibility of the student.
- c. The College is not required to purchase optional or supplemental course materials. The School Designee may need to purchase additional materials that are not labeled as “required” in the Dual Enrollment Program.

2. Tuition

- a. Pursuant to Florida Statute Section 1011.62, students enrolled in the Dual Enrollment Program may be counted as full-time equivalent enrollment by the College.
- b. Private education programs will be assessed the FSW standard tuition rate per credit for Fall and Spring terms; the Summer term tuition costs will be covered by the College.
- c. The Private School is responsible for the Fall and Spring term invoices. However, the College will seek reimbursement for the tuition for eligible participating Private School students in accordance with the established rule and law the extent that funds are available.

Reimbursements received by the College from state funds will be returned to the Private School in the same manner as received by the state.

- d. For the Summer term, the College will seek reimbursement for the tuition costs that it incurs from the State of Florida.
- e. Private schools are expressly prohibited from passing on any Dual Enrollment costs to the student.

Early Admissions Program

The Early Admissions Program is a full-time college program providing high school students the opportunity to earn both high school and college credits simultaneously by taking college courses the College's campus or online. Students may continue to participate in extra-curricular activities at their sending school and/ or at the College. The Early Admissions Program processes are the same to that of Dual Enrollment Program with the following exceptions.

Exceptions

1. Must meet all college ready test score requirements to be admitted.
2. Must be in 11th or 12th grade.
3. Must be enrolled full-time at College.
4. May not be enrolled in any high school courses.
5. Must enroll in a minimum of 12 college credit hours per Fall and Spring terms.
6. May enroll up to 18 college credit hours per Fall and Spring term; up to 12 credits hours per Summer term.
7. May not be required to enroll in more than 15 college credit hours per semester.
8. Eligible students who fall below the full-time status are no longer part of the Early Admission Program, but may be eligible to continue to participate in the Dual Enrollment Program.

All Early Admission students will be required to take SLS 1515, Cornerstone as is required by all first time in college students. It is recommended for a student's first semester and on the college campus.

THIS AGREEMENT is an annual agreement submitted to the Director of Accelerated Pathways before August 1st of each year.

**Career Pathways (Technical
Credit to College)
ABSTRACT**

Area partnerships are developed and strengthened between Florida SouthWestern State College and business, industry, labor, educational agencies, parents, civic organizations, and any other group necessary for the support and promotion of the initiative within the area. Working with District personnel, Florida SouthWestern State College has identified courses and programs that can articulate from the school districts to the College to help prepare students for Associate Degrees and career certificates.

Florida SouthWestern State College provides the opportunity for high school graduates to earn credit that may be applied to an Associate Degree. High school students who have completed a technical program from one of the five-county school districts (Charlotte, Collier, Hendry, Glades, or Lee) may be eligible for college credit at Florida SouthWestern State College. Articulated credit may be awarded to the eligible post-secondary graduate who meets the following criteria:

- The student must be currently enrolled and seeking an Associate Degree in a correlating program at Florida SouthWestern State College. Thus, the student will successfully meet all requirements that apply to an Associate Degree seeking student as stated in the Florida SouthWestern State College Catalog.
- Students will be awarded articulated credit upon successful completion of 12 college credit hours towards the Associate Degree.
- Students must complete one the approved technical programs of study.
