- Classes not listed here may be used to satisfy AA degree requirements. However, there are prerequisite courses required for specific programs at every Florida public college and university.

- To maintain timely graduation, it is highly recommended that you complete all common prerequisite course work prior to being admitted into a Bachelor's degree program. Some institutions may require that all prerequisites be completed before acceptance into the major. - Your Student Success Advisor can help you make a personalized plan. www.fsw.edu/advising
