

# CREATIVE CONNECTIONS: BREAKING BARRIERS ACROSS DISCIPLINES

As of Spring 2023, 34  
faculty have been  
certified to teach IDS  
2891: CREATIVE  
Capstone.

3 General PD Workshops, 2  
"Dish with Us!" lunch sessions,  
and 2 Behind the Research  
Library Events in '22-23!

In 22-23, we refined the course learning outcomes to better align with the Capstone rubric and program goals. The course change proposal was read and accepted in September 2022.

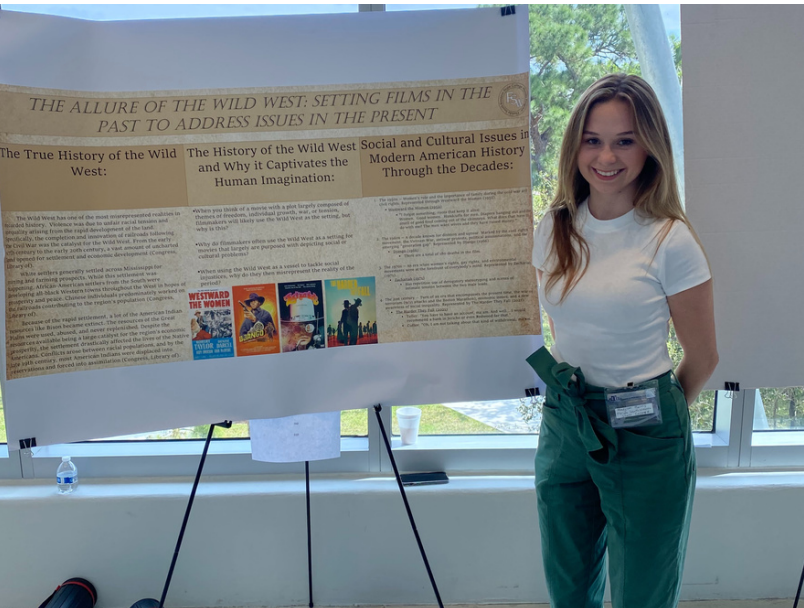

The Class of 2023 Professional Development Cohort includes 14 faculty, representing nine disciplines and two schools. Thanks to Dr. O'Connor and Dr. Vivyan for their continued leadership!
